Letter of Intent

Amsterdam, 21 September 2027

To whom it may concern,

On behalf of Muziekgebouw aan 't IJ, I am pleased to confirm our intention to present **London Sinfonietta at Muziekgebouw in Amsterdam on 23 November 2027**, as part of our artistic programme.

The concert will feature new works by **Dutch composer Rick van Veldhuizen** and **British-Japanese composer Ben Nobuto**. The programme is developed in collaboration with **November Music and London Sinfonietta** and will first be presented during November Music 2027 in 's-Hertogenbosch.

By presenting the programme in Amsterdam immediately following its performance at November Music, we contribute to a broader trajectory for these new works and enable them to reach audiences beyond their festival premiere.

We look forward to presenting London Sinfonietta and this new repertoire at Muziekgebouw aan 't IJ in November 2027.

Yours sincerely,

Boudewijn Berentsen
